

Rick Lozano Introduction

Talent and potential are everywhere.

What is we *utilized* and *realized* more of it?

How would that change everything? The answer – immensely.

Rick Lozano helps organizations unlock potential and amplify their talent and get the results they need with the people they already have.

With twenty years of experience in award-winning talent and leadership development programs, Rick combines his expertise as a facilitator with his talent as a musician, singer, and songwriter to create a unique – and fun - learning experience.

He is the owner of Unlock and Amplify and is the author of **Acoustic Leadership – Develop A Leadership Culture That Resonates.**

He is here today to present _____
